The diagram shows a 2D hexagonal lattice. The lattice is composed of green hexagonal cells arranged in a honeycomb pattern. Red lines indicate the boundaries of the lattice, and red arrows point to specific vertices or edges. The diagram illustrates the periodic arrangement of the lattice structure.

A black and white photograph of a large, multi-story building with a complex facade, featuring many windows and architectural details. The building appears to be a government or institutional structure. The image is grainy and has a high-contrast, almost stencil-like quality.
